

The Mendelssohn Choir of Connecticut

Commitment Form for the 2012 - 2013 Season

To plan for the coming Season (our 28th!), we need to know how many of our current members will be able to sing with MCC. Therefore, we request a **Commitment Form** from everyone. If you are unsure at this time, that's OK. The option has been included below. Please understand that we will need a definite answer, however, by no later than August 6th.

Please take a moment to indicate your intentions and update your contact information. Thank you!
